As a member of The Ohio State University Institutional Review Board (IRB), I understand that the research protocols and related information and/or materials that I receive or have access to as an IRB member (collectively, “IRB Information”) contain confidential information and are provided solely for use in fulfilling my responsibilities to the IRB. As such, I agree to the following:

1. I will not discuss, disclose, reproduce, or disseminate any IRB Information (as defined above), except as may be necessary to carry out my responsibilities as an IRB member or as may be required by law.
2. I will direct any requests for IRB Information to the Office of Responsible Research Practices (ORRP).
3. I will obtain written authorization from the ORRP Director, Principal Investigator, Office of Business and Industry Contracts, and Office of Legal Affairs before using any IRB Information from or about a research protocol for any non-IRB purpose.
4. This agreement does not prevent governmental agencies, such as the federal Office for Human Research Protections or Food and Drug Administration, from lawfully seeking and obtaining confidential IRB Information under their legal authorities.
5. My duty of confidentiality under this agreement shall continue in perpetuity after my IRB service ends.
